

Weddings at Pall Mall

## Imagine...

---

... arriving at the 'Palace of Pall Mall' after your Central London wedding.

... being greeted by your guests as you walk up the steps into the rotunda.

... starting your celebrations with a champagne reception in the sumptuous surroundings of our banqueting rooms.

... stepping through the French windows of the Terrace Room to mix with your guests in the open air, looking out across Westminster.

... your wedding photographs set in the splendour of the clubhouse's classic architecture.

...entertaining from 12 to 200 guests with a meal prepared by the Club's top chefs to your personal wishes.

...your first dance as a married couple in the elegance of the Mountbatten Room's mirrored panels, marble fireplaces and chandeliers.

... you and your guests retiring to a choice of 108 comfortable bedrooms and suites.

Pall Mall is the perfect setting for your special day where your imagination can become reality.
