Outside Garden Ceremony

Inside Oak Room Ceremony

Your Civil Ceremony

The Oak Room is licenced for civil ceremonies for up to 80 guests and has access to the well-established gardens.

With plenty of natural light from the large bi-folding doors, the room is air-conditioned and tastefully decorated to a high standard with neutral colours making it suitable for any colour scheme. We can set the room with a centre aisle allowing for a formal entry with your own choice of music.

Alternatively, between April and September you can be married under our beautiful outside garden pavilion surrounded by trees and open space. A red carpet can be laid down the centre of the lawn to create a classic aisle-way and then the pavilion is yours to decorate as much as you wish.

We would be happy to recommend musicians and florists to further make your ceremony exceptional and unique to you.

Your Wedding Reception & Evening Celebration

The Cedar is your main wedding reception suite accessed from the front of the hotel. The room comfortably seats up to 80 guests for the wedding breakfast and is finished to a high standard with floor-to-ceiling windows across the room giving ample light and a spacious feel.

Whether you decide on a traditional sit down meal or something a little different like afternoon tea or a BBQ, we can cater for all and set the room accordingly.

The Cedar is also used for your evening reception with a stunning wooden dance floor. The room comfortably accommodates up to 130 guests with entertainment from a DJ or band.

The following morning full English breakfast is included in the wedding accommodation rate and at the weekend is served between 8am and 9.30am.

We kindly ask that guests check-out and leave the venue no later than 11am.

A Venue for any Season

The hotel gardens are glorious in the summer months, with rolling lawns and beautiful flowers. We have five acres of wonderful, landscaped gardens which provide many photographic opportunities and space for guests to enjoy.

The winter months are made spectacular inside the venue by warm, cosy, and romantic fireplaces and a comfortable bar. The fresh colours of spring and the rich tones of autumn may be reflected in your theme and decorations.

The lounge bar is perfect for welcoming your family and friends with a drink on arrival. We have drinks packages and options available to suit any budget.

Our moon gate is a popular location for photographs at all times of the year. Tradition states that newlyweds should walk through the gate to receive good luck for their future together.

“Thankyou so much for making our day amazing.

You all worked so hard and are fantastic at your jobs. Ten out of ten.

It was like home from home. You made me and my friends and family feel so welcome.

Nothing was too much trouble and everyone went above and beyond.

We had the perfect day and we will definitely be coming to stay again.”

Mr & Mrs Bromley

Our History

Willey Park Estate was built in 1896 for Charles Frederick Roumieu.

The house itself is an Arts & Crafts Building in the style of Richard Norman Shaw. It was one of the first in the area to have electricity built into its fabric as it had its own generator in the grounds.

The house is a building of delightful quirks, a solid Victorian presence and modern comfort. Within the bell tower there is a bell dated 1805 (the year of the battle of Trafalgar) which was used to summon estate workers to dinner.

During the Second World War the house became a residential nursery run as a joint venture by the Red Cross and the Order of St John.

The property was renamed Trevena House Hotel in 1979. In 1991 when ownership changed it was renamed Farnham House Hotel.
