(Zac and Serena Crawley)

We're a husband and wife duo. We started photographing weddings together in

2018, but Zac has been photographing weddings for over ten years. We specialise in candid photographs which capture all the special moments of your day.

We have a relaxed approach to wedding photography. We know that the day can be full on and so, as well as capturing your big day in all of its beauty, we're a calming

presence who

won't get in the way of you and your guests enjoying the

key moments.
