Online options to reach the digital savvy bride and groom

County Wedding Magazines offers plenty of options for your business to reach local couples planning their weddings morning, noon and night.

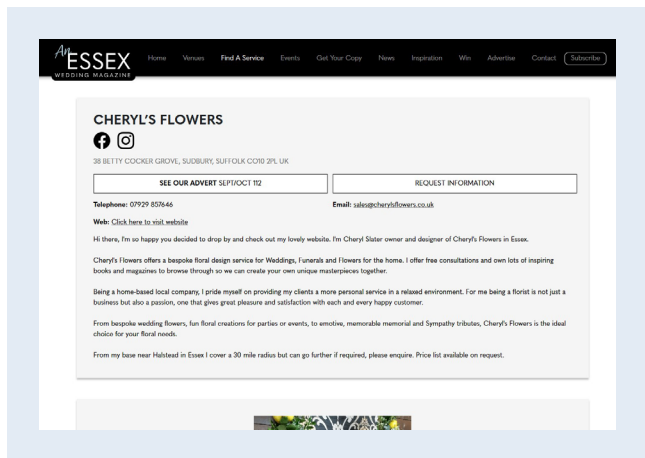

Each of our 19 magazines has a supporting website along with our group domain (www.county.wedding), containing local news stories, wedding show and event listings, competitions, and our comprehensive 'Find A Service' wedding service directory.

You'll receive a listing on our supplier directory when you become an advertiser with us and it will remain live on the website for as long as you are an active advertiser. It will include your company name, address, phone number, email address, website links, any social media links along with supporting text and imagery.

Premium Directory Listings

Turn your entry into a Premium Directory Listing (PDL), which will give your business 12-months' worth of prominent exposure within our supplier directory. PDLs will be pinned at the top of your chosen category listing(s) giving you a competitive head-start over your competitors. You'll have increased social media links for YouTube, LinkedIn, Trustpilot, Vimeo and TripAdvisor, as well as imagery and video content which users can play and watch.
